

Water System Operator Agreement

Big Country Acres Subdivision
St. Charles County, Missouri

In accordance with Missouri Safe Drinking Water Regulation 10 CSR 60-14.010(4)(F)1 the following agreement is hereby entered into.

That the subdivision of Big Country Acres does hereby enter into this agreement for a "certified operator" to oversee the operations and maintenance of the subdivisions water supply system. The responsibilities of the operator are as follows:

- a. That the operator shall visit the system site at least once a month.
- b. During any visit to the site the operational chart shall be filled out in full
- c. Each site visit is estimated to take no more than 1 hour
- d. That the operator shall maintain a minimum level of a DS I license as required by the regulation.
- e. The current operator holds a DS III license (License # 493)
- f. That the operator will be available for emergency situations within one hour of being contacted by the subdivision
- g. That all monthly bacteriological samples, and any other required samples are collected in accordance with regulations.
- h. That any additional operational or maintenance activities be performed as outlined upon approval of the subdivision.

This agreement may be terminated at any time by either party. Upon termination of this agreement the Missouri Department of Natural Resources shall be notified within 7 days of the termination and that this operator is no longer responsible for the subdivisions water system.
